Docket No. E-01345A-16-0123

Dear ACC,

I am writing in regard to APS Utility's plan to change their Smart Meter opt-out program.

I am requesting that you continue to use the old analog meters and to continue with a no charge on usage.

The new digital meters have been shown to create dirty electricity and may be harmful to sensitive individuals.

This is a very important issue. Our analog meters are proven reliable and safe technology. APS should continue using them.

Thank you for your consideration on this matter.

Sincerely,
Marlene Schmitt
